## "जीवन-लक्ष्य"

पाषाणों से बहता जल हूँ  
अपनी राह बनाऊँगा,  
तब भी नहीं रुका था मैं,  
अब भी बहता जाऊँगा।  
अपने इसी वेग से बहकर  
सागर में मिल जाऊँगा,  
तब भी नहीं रुका था मैं,  
अब भी बहता जाऊँगा।  
पुष्प राह में खिलते होंगे  
पर कांटे भी पाएँगे,  
धार नुकीले पत्थर लेकर  
अनगढ़ पथ भी आएँगे,  
उनको भी जल से शीतल कर  
आगे चलता जाऊँगा।  
तब भी नहीं रुका था मैं,  
अब भी बहता जाऊँगा।।  
भले रोकना चाहें मुझको  
टेढ़ी - मेढ़ी राहें भी,  
और रोकना चाहें मुझको  
तूकों और हवाएँ भी,  
दुगुना वेग बढ़ा कर फिर भी  
नमन उन्हें कर जाऊँगा।  
तब भी नहीं रुका था मैं,  
अब भी बहता जाऊँगा।।  
बाधाओं की आँधी हो  
या वैमन्यस्ता के तिनके,  
शत्रु अपना जाल बिछाए  
खड़े भले हों विषफन के,  
जीवन एक चुनौती है  
इसे हरपल ही स्वीकारूँगा।  
तब भी नहीं रुका था मैं,  
अब भी बहता जाऊँगा।।  
कितनी ही बाधाएँ आएँ  
लक्ष्य न मैं विसराऊँगा  
न हार कभी मानी थी  
ना हार कभी मैं मानूँगा।।

## PRINCIPAL'S QUOTE -

My dear students,  
When you show courage in the face of adversity, you can change your life and help others do so. One should behave bravely like flowing water. It keeps moving, whether it comes across pebbles in its way or not, and never stops till it reaches its destination.  
There will be troubles, diversions, and allures that can derail you from your path, but remember that "Great things come only through struggle and restless hard work." Nobody should harbor enmity, animosity and envy towards anyone. If someone has all these atrocities, one should try to remove them from their heart. Life is a challenge. One has to accept them and learn to struggle through the strains.  
Success demands sacrifice.  
I believe in 'not being ordinary but remarkable.'  
Do not step back or give up. Find strength in adversity, conquer fear, and live your dreams. I have never accepted defeat in my life, and I won't let you do that either.  
Come forward and face the challenges.  
The USCKM team is there to support and guide you.

DR. PRABHAT KAUSHIK

## REPUBLIC DAY CELEBRATION

Republic Day is the happiest day for every citizen of an independent nation, because by this a nation gets declared sovereign, democratic and republic state. Every year, throughout the length and breadth of our country, Republic Day is celebrated with great zeal and patriotic spirit. This year, Basant Panchami coincided with Republic Day. In our school, to mark these occasions, we decorated our campus with bunting, flowers, the national flag, a statue of Maa Saraswati, and portraits of the heroes who fought for India's independence. On Jan. 26, the students and staff members assembled at 10.30 am to celebrate Republic Day and Basant Panchami. Our honourable Principal unfurled the national flag and paid respect to Goddess Saraswati to begin off the festivities. This was followed by singing the national anthem. Various cultural activities, like singing patriotic songs, dancing to depict the cultural diversity of the land, poem recitation, and speeches, were presented by the students. At the end of the celebrations, our school's principal, Dr. Prabhat Kaushik, through his oratory skills, told the significance of the day and triggered a patriotic feeling in all of us. He advised us to pray to Goddess Saraswati for wisdom and be ready to make sacrifices for the safety of our motherland. The Principal's words motivated me so greatly that I started to believe I must study hard in school and that I must join the armed forces to protect my country when I grew up.

*I am always proud to be a 'UCSKM's student as well as a citizen of India. 'Jai Hind, Jai Bharat'*

## Oh My Mother Nature

Oh My Mother Nature,  
The Beauty of the sunset ,  
Tells me something each day,  
That another day has ended today

Beneath the water,  
Green and cool,  
The Mermaids keep a swimming pool,  
Oh My Mother nature, Oh wonderful nature

Life is bliss if spent close to the nature,  
One touch of the nature,  
Makes the whole world kin,  
Oh my Mother nature , Oh wonderful nature

Birds fly in the sky,  
The mountains are so high,  
Everything in nature, God gave us this feature  
Oh my Mother nature, Oh wonderful nature.

## राजा राममोहन रॉय

अरे जलती रही नारियाँ चिता पर,  
सभी भीड़ में फिर भी मौन रें।  
कौन समझे इन नारियों का दर्द,  
चुप रहे वो जाने कौन रें।।

मैंने समझा उन नारियों का दर्द,  
आवाज उठाई उन के लिए।  
बेचारी चिल्लाती-चिल्लाती जल गई,  
भला कौन उनके जखमों को सिए।।

मैंने देखा, समझा और महसूस भी किया,  
पढ़ डाली सारी किताबें, खोल डाले सारे ग्रंथ।  
फिर दिखाया उन अंधविश्वासियों को,  
क्या है सच, क्या था उनका ढंग।।

शुरू किया मैंने ब्रह्म समाज को,  
लिया दूसरों का साथ।  
बोलना सभी चाहते थे,  
उठे कुछ ही हाथ।  
मिलकर फैलाई मैंने जागृती,  
और करी नए युग की शुरुआत।।

बहुत मुश्किल था खत्म कर पाना  
ऐसे रोगों को,  
जहां स्त्री का अपमान जड़ - जड़ में समाया हुआ था,  
गोरों के साथ और एकता के बल से,  
राजा राममोहन रॉय, एक नया इतिहास रचने आया था।।

## DEV SANSKRITI UNIVERSITY & GAYATRI PARIWAR VISIT

27<sup>TH</sup> JANUARY, 2023

Our school organized a grand programme under the aegis of Dev Sanskriti University and Gayatri Parivar Shantikunj Haridwar. The programme was started by lighting a lamp. Our Principal, Dr. Prabhat Kaushik, welcomed the visitors by presenting souvenirs. Ms Sudha Jha, Ms Jahnvi Sahu, and Ms Poonam Singh Rathore from Dev Sanskriti University taught us to practise many activities such as Bhramari Kriya, Surya Namaskar, Vrikshasan, Tadasan, Mandukasan and many more asanas. They also explained that just as a tree will be lifeless without its roots, each child's life is incomplete without customs and rituals. If there is culture along with education, then only the personality becomes complete. Therefore, each child must pay special attention to the rituals and customs, as these play an important role in practical life along with book knowledge. They involved us in very interesting activities that weren't only meant for fun but also for knowledge. Each activity was associated with logical reasoning. The activity in which they asked us to clap with fingers (1, 2, 3, and 5) was associated with the term "Teamwork," in which we observed that just clapping with one finger on another hand doesn't make the same sound as clapping with all five fingers. The acupressure therapy basics were also very interesting. They told us that our thumb represents the head, our index and little fingers represent the hands, and our middle and ring fingers represent the legs.

It was really a great honour that they gave us their prestigious time. So a big thank you to them from the entire UCSKM family.

# FAREWELL 2022-23

Speech By Head Boy  
"Himanshu" & Head Girl  
"Bronika"

Good morning to one and all present here. Today I am here to give a farewell speech and share my experiences of my journey in UCSKM. It is very difficult to bid goodbye for all my batch mates and realise that we are leaving the school, teachers, friends and above all the love, care and guidance from our mentor, respected Principal Sir. On 2nd August, 2022 I was selected as the Head Boy of UCSKM PUBLIC SCHOOL and I was feeling very happy as well as in a dilemma of tackling all the responsibilities. But my friends helped me a lot to fulfill my responsibilities. Thank you all my buddies as it was really amazing working with you all. The best memories of my journey come from celebrations of our school's "The Silver Jubilee Celebration" on 16th Oct 22. Everybody at that time in school was busy in making their projects. The art department was at its peak. It was like a grand fest for all of us.

The other thing that is very close to my heart is when small kids came to me and touched my feet. I felt like a big brother to them. I would like to express my gratitude to all my teachers for helping me in my overall development. I would like to thank Vivek sir for sharing his life lessons with us as these experiences will help us reach success. Guneet sir for making all those typical topics easy to understand. Priyanka ma'am for all those motivational words. Naresh sir for all the efforts and hard work you did for us.

Mohit sir for teaching us the actual meaning of organising things. Rajkumar sir for all your love and support you gave us every day. Sharma ma'am for teaching me the importance of discipline in life. The cutest of all time Rewa ma'am thank you for helping me everytime for everything.

Now before I part, for a new beginning, I would like to thank the whole of the UCSKM family for converting me from an under confident boy to a self confident personality.

Thank you.

**UCSKM Public School hosted a grand farewell ceremony for the class XII batch (2022-2023) on February 4, 2023. All the students of class 11 organized the event in unison to bid a lively and joyful farewell to their seniors. School is the second home of the students, and the students are the heartbeat of the school. Class XII was present at the ceremony dressed in ethnic Indian dresses. The decoration for the function was fabulous and fascinating. The ceremony commenced with a lamp-lighting ceremony led by our principal sir, Dr. Prabhat Kaushik, Anjana ma'am, Rewa ma'am, and Sharma ma'am. Principal sir expressed his desire to see all the students at a great height of success and motivated them to smoothly take on responsibilities and set a remarkable example for the juniors, despite the situation around them. He gave them helpful advice on how to juggle the expectations of their family and society with their aspirations. He concluded by wishing them happiness and success in their future endeavors. He inspired them to leave an indelible mark on society and make the school proud. He also quoted, "Try not to become a person of success, but rather try to become a person of value."**

**Students of class XI gave beautiful dance performances. There was a skit that was thoroughly enjoyed by the audience. Class XII students were awarded titles. The head girl (Bronika) and head boy (Himanshu) expressed their gratitude and shared their experiences. Students expressed their gratitude towards their beloved teachers. All teachers parted with a message for the outgoing students. "When you reach the zenith of your career, we hope you will never forget your roots, family, and extended family—your school. May God bless you with prosperity, health, love, and strength."**

Dear Mother,

नास्ति मातृसमा छाया नास्ति मातृसमा गतिः ।  
नास्ति मातृसमं त्रणं नास्ति मातृसमा प्रण ॥

There is no shadow, no shelter, no protector like a mother. There is no life giver in this world like a mother.

It gives us immense pleasure to designate you as the guiding light and our supervisor for the child who is going to be the leader and future of our great country.

You are the chosen one who will manage time, energy, efforts, aspirations and motivation of our child. You will work closely with our educators to bring out the best in our child. As a Mother-Supervisor of the children help us nurture and groom them into a winner for life through our well researched and carefully chosen pedagogy.

We are sure that your commitment, love, affection, care and wisdom will help us shape young minds, thereby building a better tomorrow. Eventually, the child will grow up to be an effective communicator, collaborator and problem solver that our society needs today and your role will be vital along the journey.

In your role as a Mother-Supervisor, we expect you to get involved in day-to-day activities of our child and school. We wish to encourage you to kindly allot 30 minutes of quality time, solely for the child after she/he reaches home. During this time, please allot undivided attention when school experiences are narrated. We urge you to maintain continuous communication with us and the school for professional guidance in case of any challenges. Let's jointly take the responsibility to ensure holistic growth of our child.

You will walk alongside the child to help them differentiate between needs and wants, essentials and frills, and the rights and wrongs. What you instill in the child now will help him/her appreciate the good around them thereby developing attitude of gratitude, without compromising on their self-esteem. As society evolves, expectation from an individual will also evolve. You as a supervisor would continuously inspire the young mind to grow and adapt for better!

We understand that there may be some challenges in achieving our common goals. There may be learnings and unlearnings as well, but don't worry you and child are the passionate craftsmen.

Warm Regards,

Dr. Prabhat Kaushik

# PARENTS' FEEDBACK

"At UCSKM School, the teachers are really good and dedicated; I will always be grateful to this wonderful school." The class teacher is professional, caring, and well organized. The admissions process is outstanding; they really care and truly want the best for your child. For the principal, sir, I would like to say he is a genius with a great mindset. My daughter, Ritisha Shri Rai, is very happy and satisfied with all teaching activities as well as other skill development activities done by the school. My family wants to say thank you to the UCSKM school staff for their support.

Ritisha's happy parents

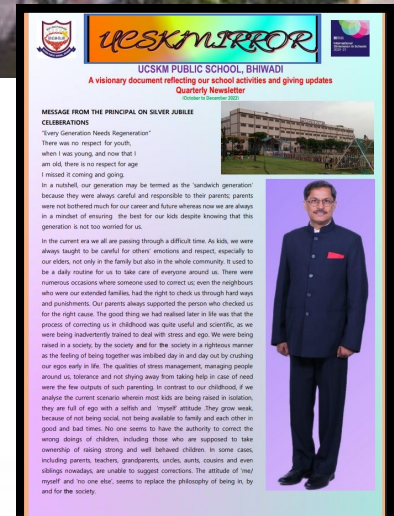

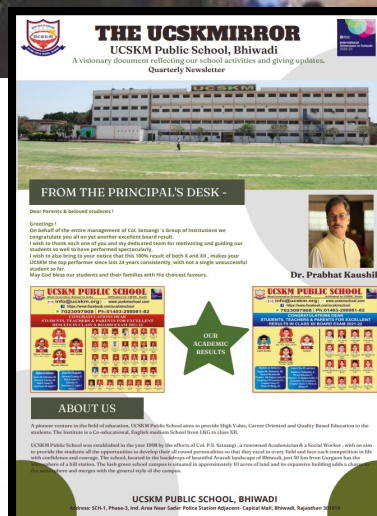

We are a part of UCSKM School since last 5 years. We have experienced that UCSKM School is a well-organized and child friendly school. We as parents are satisfied with the unique working culture of the teachers. From extracurricular activities to academics, the school has assisted our kids to excel in skills and activities which leads to complete holistic development of the children. Being parents we have experienced that the school provides a healthy and safe environment. We are impressed with teaching methods which are different from other schools. A good student is the product of a good school. UCSKM school teachers are the building blocks of the school, they teach the students all the important lessons that they must apply in their daily lives. We sincerely thank Principal Sir, Dr. Prabhat Kaushik, for being such a great exceptional leader. He manages his students along with their parents in a friendly manner. We want to express gratitude to Sir and his team for the upbringing of my ward.

Pranshi's Proud Parents

UCSKM is the school that helps students' and parents' dreams come true. The first step to success is "discipline," which is taught and maintained in an organized manner. Seminars are held where guests are invited to motivate the students. UCSKM is a place where students are prepared for a bright future and gain success in life.
